## Jerald Harris Sweeps Natural Bridge Night

On the first hot humid night of the season Jerald Harris was on a hot streak sweeping his heat and feature for his second win of the year.

Heats started the night with Jerald Harris and Chris Humblet taking those then off to the main.

Jerald Harris and Matthew Leach paced the field to green and Harris was out first with Leach, Chris Humblet and John Scarborough in tow.

On lap two Leach spun in turn two to reload the field and Harris took off again with Humblet and Scarborough racing for second but on lap five Leach and John Smith got together ending the night for both.

Harris took off with Humblet and Scarborough right with him Dylan Shatzer and Caleb Harris were racing for fourth.

Scarborough got by Humblet and was using the low line to close in on Harris that liked the higher line. Shatzer got by Humblet to get to third as the laps were clicking off fast.

Traffic came in to play as the race was winding down and Scarborough was not going away as Harris was making the right moves to stay out front.

With two to go Harris was able to put a car between them and sped to the waving checkered flag for his second win of the year.

**At the line** it was Jerald Harris, John Scarborough, Dylan Shatzer, Chris Humblet, Daren Bolac, Caleb Harris, Matt Mullins, Jimmy Humblet, Chris Ware, Aaron Leach, John Smith, Matthew Leach and French Grimes.
